

OBJECTIVES OF THE MATHEMATICS CLUB

1. To involve Mathematics students in enrichment activities like visit .
2. To develop charts for the display boards in the Mathematics room.

REPORT OF THE MATHEMATICS CLUB ACTIVITY

1. Students were initiated to the Mathematics club in the beginning of the year.
2. The students were oriented to the visit to the Nehru Science Centre (NSC) with respect to the objectives of the visit which were as follows :
 - To orient the students on Mathematics concepts through the displays in the NSC.
 - To prepare a report after reflection.
3. Students were taught different topics in the Mathematics curriculum and were asked to make charts for the Mathematics room on topics beyond the syllabus.
