HYMN

CH: Beginning today my mornings are yours,
The hopes that dawn in their light.
Beginning today my evenings and dreams:
My gift to you is my life

I will always remember the time you first called me
Out of my empty sleep
To Waken in me the hope of a new day
The love I wanted to seek.

CH: Beginning today my mornings are yours,
The hopes that dawn in their light.
Beginning today my evenings and dreams:
My gift to you is my life

I promise this day I will sing for the world,
The song we begin to share.
To fill up tomorrow with sounds of our love, Lord
The hopes and dreams that we bear.

CH: Beginning today my mornings are yours,
The hopes that dawn in their light.
Beginning today my evenings and dreams:
My gift to you is my life
