

St. Xavier's Institute of Education Mumbai

Report For SXIE Library National Webinar Organized On 6th July, 2020.

“We need technology in every classroom and in every student and teacher’s hand, because it is the pen and paper of our time, and it is the lens through which we experience much of our world.” – David Warlick

The COVID-19 pandemic has affected educational systems worldwide, leading to the near-total closures of schools, universities and colleges. In response to this temporary closure of educational institutions the use of distance learning programs and open educational applications and platforms that schools and teachers can use to reach learners remotely and limit the disruption of education are being opted.

At such times, keeping in mind that it is necessary for teachers and educators to be aware of technological tools that aid for online classrooms the Library committee of St. Xavier’s Institute of Education organized a National level Webinar on topic **“Open Source Software for E- Content Development – OBS Studio”** . for Students, Teacher Trainees, Teachers, and Library Professionals. The Organising secretary of the event was Mrs. Meena Suryavanshi of SXIE, Mumbai. The objective of the webinar was to give the participants practical information about the working and usage of various functions of OBS studio.

The webinar began by introduction and welcoming of the participants by Mrs. Meena followed by address by Principal Dr. Sossama Samuel. Thereafter an elaborate video tutorial was presented by Dr. Shantshree Sengupta explaining how Open Broadcaster Software (OBS) can be used for recording, live streaming and developing E-Contents in the form of Video Lectures using OBS. The speaker also highlighted how Adoption of E-Content in Libraries & Information Centres is a robust indicator of response to E-Learning in India. After the webinar queries from the participants were attended to through a Question and Answer session. Thereafter the Manager of SXIE Fr. Blaise S.J. shared thoughts on Online Education and Technology. The guest speakers Dr. K.N. Kandpal and Mr. Mangesh Ghodke shared their views regarding the theme of the webinar. The webinar was concluded with an official vote of thanks. Participation E-certificates were provided to the participants. The participants were also asked to fill a feedback form after the webinar. The webinar was conducted on the Zoom Meeting App and it was live-streamed on YouTube platform and attended by 900 participants from various parts of Country on 6th of July 2020 from 4:20 p.m.-6.30.p.m.

Feedback for National Webinar Received
