Review of 2022-23 placement activities

Ms. Priti Sivaramakrishnan presented the feedback of placement activities. Feedback was collected from the school principals and SXIE students. Dr. Bijoy read out the summary of feedback.

Feedback from Students

- Pre-campus presentation sessions: 90% of students indicated that the pre-campus programme prepared them for the campus placement programme.
- Organisation of Campus Placement:

1. The campus placement programme was well organised.
 2. Information about the campus placement programme was communicated clearly.
 3. Campus Placement In-Charges provide extra assistance.
 4. The mentoring session on the theme of campus placement was useful.
 5. The LMS platform was very useful in disseminating information about campus placement.
 6. The student coordinators were very supportive and helpful during the interview sessions.
3. Focus point of the campus placement programme
 1. Students were given specific information regarding the institution and current openings. Detailed pre-campus sessions and a support system were beneficial.
 4. Suggestions for Improvement
 1. The timing of the pre-campus session and internship should be well organised.
 2. Campus placement must be spaced out. It shouldn't be kept on the same day; it becomes very hectic.
 3. The number of various board institutions in the campus placement process should be balanced.

A brief discussion of the challenges faced during placement activities of 2022-23 and resolutions were made for smooth conduct of placement activities for the year 2023-24.

It was suggested that the -

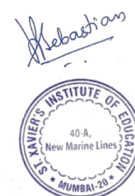

1. A little more assistance in framing the CV on recent patterns is needed
2. Inviting Inservice alumni from different boards to share their experiences can be beneficial

It was also decided that, the students should submit their appointment letter to the college office before returning the deposit amount.

Feedback from School

Dr. Bijoy stated that the participating institutions in the campus placement programme had a good experience with the campus placement organization. Schools were provided with recommendations for enhancing the students' competencies.

The principals appreciated the pre-campus enrichment programs of orientation to the different educational boards. Students should acquire a still deeper understanding of various boards and their activities, as well as the evaluation strategies of various school boards. It was indicated that orientation programmes for various boards ought to be emphasized more in the pre-campus placement programme. In further discussion, it was suggested that students should be exposed to the IGCSE or ICSE board curriculum during their internship. The school representative emphasizes that the college ought to encourage more practices that could help students in passing the TET /CTET examination.

The meeting was concluded with vote of thanks by Priti Sivaramakrishnan.
