## PARENT INTERACT 2023 - 2025

Parent involvement and intervention in the student's day-to-day life lay the foundation for better social and academic skills. A secure attachment leads to healthy social, emotional, cognitive, and motivational development. Students also gain strong problem-solving skills when they have a positive relationship with their parents.

The outcome of parent interact:

- Understand the vision and mission and the college procedures
- Partner with the college to have better insights about your ward's work.

*We are thrilled to welcome you to our institution and excited to have you join us for the induction program. During the program, you will have the opportunity to participate in a variety of activities that will help you get acquainted with your new surroundings.*
