Dear Sir/ Madam,

Sub: Online Campus Recruitment at SXIE 2020-21

Our experience of conducting campus interviews has been very enriching and rewarding in placing the students in your esteemed institutions over the last few years.

The schools and different stakeholders applauded the campus recruitment of 2019-20. We had over 40 schools, including CBSE, ICSE, SSC, IB, and IGCSE from the State, National, and International levels participating in the campus recruitment event. This year too, we are conducting campus interviews for our teacher trainees by using a virtual platform. We hope you will avail of our recruitment program to the optimum.

We believe that this online campus recruitment 2020-21 will enable you to personally interview and recruit teachers of your choice and orient our students to job opportunities in teaching. If you have vacancies in your school and are interested, we request you to send us vacancy details in the below endorsed online form by 05th February 2021. The data pool, created based on this, will be shared with the student teachers to prepare for the campus recruitment. To enable us to plan and organize these interviews, we will appreciate it if the required details are sent to us at the earliest.

It has been viewed that pre-interview presentations have helped the schools to orient our students about the institutions and work ethos. This year, we plan to organize a Pre-Campus Interview Presentation for 15-20 minutes by each school from 01st February 2021 to 06th February 2021, the timings are from 2:30 pm to 5:00 pm.

Details of the Events	Duration	Mode of Organizing the Program	Time
Pre-Campus Interview Presentation (Optional)	From 01 st February 2021 to 06 th February 2021.	Zoom / GMeet	2:15 P.M to 5:00 P.M
Campus recruitment	From Monday, 08 th February 2021 to 19 th February 2021 excluding weekends.	Zoom / GMeet	2.00 P.M. – 5.00 P.M

The college will provide schools the Zoom / GMeet facility for the pre-campus / campus recruitment process. The meeting link details will be available to you once your Institution registers for the campus placement program.

For any inquiry, please call or email the faculty coordinators. We look forward to seeing you at SXIE.
