About the Webinar

St. Xavier's Institute of Education perseveres to deliberate and dialogue on the developments in the field of Higher Education, especially Teacher Education. The National Education Policy (NEP) 2020 is the first education policy of the 21st century and aims to address the many growing developmental imperatives of our country. (Ref.:https://www.education.gov.in/sites/upload_files/mhrd/files/NEP_Final_English_0.pdf)

The NEP 2020 ushered paradigm shift in structure and spirit of education, and is studied at SXIE through different discussion forums, webinars, reviewing the document and related literature to understand and critically reflect on its implications on schools, teacher education, and other aspects of higher education. This national webinar too titled, 'NEP 2020: Perspectives and Implications' aims at understanding perspectives of the NEP 2020 from the vantage point of invited renowned academicians and scholars. The webinar sets a tone for reflective and archaic sharing of thoughts and ideas towards education in the background of the NEP 2020.

Objectives of the Webinar

- To gain the analytical perspectives about equity and inclusion in NEP 2020
- To understand the implications of NEP 2020 on academic quality
- To develop an insight about impact of NEP 2020 on Governance of Higher Education
