St. Xavier's Institute of Education 2017-2018

First Year B.Ed (Second Semester)

Community Work Report

One week Community Service (12th December, 2017 to 16th December, 2017)

The two year B.Ed program requires students to complete one week community service program The community service programme was planned from 12th December to 16th December, 2018.

50 first year students were divided into 3 group comprising of 16 students in a group. The students were sent to the following centres

1. YMCA Andheri
2. Cheshire Disability Trust Andheri
3. Shelter Don Bosco Matunga

The students were oriented about the need of the community work and the objectives of the programme was clearly communicated. Students were divided into three different groups and based on the needs of the community centre the students planned and designed their activities. Some were group activities and some were individual activities where students had to teach students basic reading , writing or mathematical computations. As the week was close to Christmas students also helped in preparing the community centres for the Christmas Celebrations. Teaching, working on computer app ZAYA, Christmas decoration, Designing and creating puzzles, teaching and drawing, painting and organic farming were few activities that students. The students after attending lectures went to their respective allotted centres where they provided community service for more than 4 hours. The students on the last day ended the community service programme by thanking the community centre students, managmets and the support staff in the smooth completion of their community service. Feedback was obtained from the students to understand the learning outcome students gained through the community

service programme and students suggestions were obtained about the planning and organization of the programme. The staff members were sent in rotation to the different community centres to observe the students performance in the community centres and to award marks based on the service contributed.

The students were also awarded a certificate on successful completion of the programme.
