Tasks undertaken :

- Contacting the Rural centres for Community work
- Orientation of the students on the following
 - Community work details
 - Text critiquing along with the librarian
 - Social analysis
- Preparation of the rubrics and assigning groups for evaluation
- Calculation of the budget required (as a donation to the rural centres)
- Preparation of the certificates

STEPS FOR THE PROGRAM:

- Orientation by staff in charges
- Resource input by Br. Raju & Dr. Thomas Vaz, Governing Body member
- Preparation of Social analysis questionnaire
- Preparation of teaching learning materials
- Community Engagement (1 week)
- Assembly presentation
- Report writing and submission

Objectives of the program

- To orient the students on the objectives of community service.
- To help students understand the relation between the context and community service.
- To explain the social analysis format and the procedure
- To evaluate students on community work

Centres taken : Talasari, Uplat, Manor, Ashagad

Dates : 6th January to 10th January 2020, stay over at the centre.

Activities: Teaching the inmates of the centre or in the schools run by the Jesuits was undertaken. Subjects like English and Mathematics were given more importance. B.Ed. students also collected data for social analysis and interacted with the students at the centre to know them closely.

Evaluation: The program was conducted effectively as staff in charges were present to monitor the activities. The rubric designed for the purpose helped in overall evaluation. Assembly was also presented and evaluated by the staff.

PROGRAM OUTCOMES OF THE COMMUNITY WORK PROGRAM

- Students were sensitized on the context and the reciprocation of the community work program
- Awareness generated on how the context impacts life and education of the

inmates

- Students related the text critiquing to the community work which shows how knowledge is important
- Students felt the need to go back to the centres and continue the work
