

Inauguration of the theme of the year- 'HARMONY'

20th June 2017

The academic year 2017-2018 commenced with the official declaration of the theme '*Reflective Action Towards Harmony*'. The staff and students of our college were present when the principal in-charge, Dr. Vini Sebastian officially announced the opening of the theme of the year and Dr. Bijoy K Thomas, IQAC Coordinator and Ms. Kalpana had given a brief report about the theme. Being the continuation of the previous year's theme, i.e, *Experiential Induction into Harmony*, this year the focus is more on the reflection aspect with regard to harmony. This theme will be incorporated through various activities such as excursions, visits to community centres, integration in the core components of lessons, creative techniques, etc throughout this academic year. We are looking forward to have a fruitful reflective journey through harmony.
