

Teacher's Day Celebration

"Those who educate children well are more to be honored than parents, for these only gave life, those the art of living well."

- Aristotle

Teachers' Day was celebrated with enthusiasm at St. Xavier's Institute of Education, Mumbai. The celebrations began by a short prayer service conducted by the student council to thank the Lord for his blessings and grace. The teachers and the student teachers wholeheartedly recited the **Beatitudes for Teachers** which reminded us of our duties and responsibilities as teachers.

Followed by the prayer service, games like inspired from every method- language, math, science, dance and music etc. were conducted for the teachers and the students by the student council. The students took great effort and ensured that teachers enjoy every minute. As a token of gratitude, the student council presented the teachers with a handmade greeting card on behalf of the all the students in the class.

The event brought the students and the teachers together in a special way to create joyful memories. One of the students said, "We did a dance in a group where our classmate Macjoyle was showing us steps and along with the manager we all enjoyed dancing."
